

# Are You the Man You Want to Be?

## IMPROVE YOUR LIFE, CHANGE YOUR WORLD.

Take a look at your world, take a look at your life...make a choice to improve them both. The Mankind Project is a non profit organization that conducts personal development trainings for men around the world. We are not affiliated with any religious practice or political party. Your beliefs are welcome. We teach integrity, leadership, emotional intelligence, self awareness, trust and unity.

### OPEN MEN'S GROUP

CONNECT TO THE COMMUNITY

Open Men's Group (OMG) is an introduction to the ManKind Project (MKP), some of the men in MKP and our values. It offers an opportunity for deeper truth-telling, trusting and connection than men typically experience in the world. We meet the third Saturday of each month, 10 AM to 11:30 AM. Additional sessions are on the 1st Monday and 2nd Wednesday of the month. Contact George Wine Chase, ([gwinechase.mkp@gmail.com](mailto:gwinechase.mkp@gmail.com) or 816-824-9898).

### MEN'S WORK TRAINING PROGRAM

FIND THE TOOLS TO BE A BETTER MAN

The Men's Work Introduction Training is for those new to men's work and men's groups. It includes three 90-minute sessions over three weeks. The curriculum provides an overview of who we are as the ManKind Project and what we do: focusing on our mission, vision, values, and what we practice and why.
